Offering an abundance of versatile living space and modern features, this home is perfect for families or anyone who enjoys entertaining.

The ground floor begins with a welcoming entrance hallway that provides access to all rooms and includes a convenient ground-floor WC. At the front of the property, you'll find a bright and spacious reception room, complete with laminate flooring and a charming bay window that adds a touch of elegance. Toward the rear is an open-plan kitchen and dining area featuring ceramic-tiled flooring, ample storage units, and French doors that open to the garden. A separate utility room, located just off the kitchen, adds practicality to this already functional space.

A standout feature of the ground floor is the large additional reception room, created from the conversion of a double garage. This impressive space features herringbone flooring, a stylish media wall with an integrated fire, and double French doors that flood the room with natural light while providing access to the rear garden. Above this converted space is a versatile attic room, ideal for use as a fifth bedroom, home office, or hobby room.

On the first floor, the property boasts four bedrooms, all carpeted for comfort. The master bedroom includes built-in wardrobes and an ensuite with a walk-in shower and vanity unit to wash hand basin. The modern family bathroom completes this level, featuring ceramic tiles, an L-shaped bath with an overhead shower, and a vanity
